The movement ahead  
is  
more important and a  
way in which it can be  
made known to everyone  
that there is a possibility

that is Moving

and Changing

and Growing

and

Will Expand

and

Can Indeed

show EVERY WAY.

You can come with us,

if you wish,

we can go there.

And what is being left behind

is meaningless and what we are

moving toward is that

of intrinsic beauty

for the World
